Supervisor Calendar
To view pending and approved time off for all unclassified and classified employees on one calendar, select Supervisor Calendar on the toolbar.

Supervisors may view the calendar by month or a week at a time (select the week).

To change the month, select the month from the dropdown menu or use the arrows on each end of the header. If there are more than two (2) employees with activity on a single day, the word ‘more’ will display. To display all employees on a given day, select ‘more’ and a full weekly view with all employees will display.

Supervisors may approve or deny pending time off requests from this calendar. The function is the same as the Supervisor Work Roster.

To return to your home page, select ‘Time Record’.
